PLAINTIFF,

THE PARTNERSHIPS AND UNINCORPORATED  
ASSOCIATIONS IDENTIFIED ON SCHEDULE A,

DEFENDANTS.

CASE No.: 1:22-cv-00506

**COMPLAINT**

Plaintiff, ██████████ (“██████████” or “Plaintiff”), by its undersigned counsel, hereby complains of the Partnerships and Unincorporated Associations identified on Schedule A attached hereto (collectively, “Defendants”), and using the identified online marketplace accounts (collectively, the “Defendant Internet Stores” or “Seller Aliases”), and for its Complaint hereby alleges as follows:

**JURISDICTION AND VENUE**

1. This Court has original subject matter jurisdiction over the claims in this action pursuant to the provisions of the Lanham Act, 15 U.S.C. § 1051 *et seq.*, 28 U.S.C. § 1338(a)-(b), and 28 U.S.C. § 1331. This Court has jurisdiction over the claims in this action that arise under the laws of the State of Illinois pursuant to 28 U.S.C. § 1367(a), because the state law claims are so related to the federal claims that they form part of the same case or controversy and derive from a common nucleus of operative facts.

2. This Court has personal jurisdiction over each Defendant, in that each Defendant conducts significant business in Illinois and in this Judicial District, and the acts and events giving

rise to this lawsuit, of which each Defendant stands accused, were undertaken in Illinois and within this Judicial District.

3. Venue is proper in this Court pursuant to 28 U.S.C. § 1391, since each Defendant directly targets consumers in the United States, including Illinois, through the fully interactive, commercial Internet stores operating under the Defendant Seller Aliases and/or the Defendant Internet Stores identified in Schedule A. Each of the Defendants has targeted sales from Illinois residents by operating online stores that offer shipping to the United States, including Illinois, accept payment in U.S. dollars and, on information and belief, has sold, and continues to sell infringing and counterfeit products that infringe upon Plaintiff's trademarks. Each Defendant is committing tortious acts, is engaging in interstate commerce, and has wrongfully caused substantial injury in the State of Illinois.

### INTRODUCTION

4. This action has been filed to combat the online trademark infringement and counterfeiting of Defendants, who trade upon Plaintiff's valuable trademarks by selling and/or offering for sale unauthorized, inauthentic, infringing, and counterfeit products in connection with Plaintiff's federally registered trademarks.

5. Plaintiff, [REDACTED] is the owner of the federally registered [REDACTED] Trademarks, listed in the table below, and true and correct copies of which are attached hereto as Exhibit 1 (collectively referred to as the "[REDACTED] Trademarks" and "Trademark Registrations"). The Trademark Registrations of the [REDACTED] Trademarks are valid, subsisting, and in full force and effect. The Trademark Registrations of the [REDACTED] Trademarks constitute *prima facie* evidence of their validity and of [REDACTED] exclusive right to use the [REDACTED] Trademarks pursuant to 15 U.S.C. § 1057(b).

6. In an effort to illegally and deceptively profit from the [REDACTED] Trademarks, Defendants created numerous online marketplace accounts and online stores, intentionally designed in look, feeling, and suggestion to give the impression to consumers that they are legitimate websites and merchants selling products manufactured by or authorized by [REDACTED] (the “[REDACTED] Products”), with Defendants’ ultimate intention being to deceive unknowing consumers into purchasing unauthorized and infringing [REDACTED] Products (hereinafter referred to as “Counterfeit [REDACTED] Products” or “Counterfeit Products”).

7. Defendant Internet Stores share numerous unique identifiers, such as design elements and similarities of the unauthorized products offered for sale, establishing a logical relationship between Defendants, and suggesting that Defendants' illegal operations arise out of the same transaction, occurrence, or series of transactions or occurrences. Defendants attempt to avoid liability by going to great lengths to conceal both their identities and the full scope and interworking of their illegal operation.

8. Plaintiff is forced to file this action to combat Defendants' ongoing infringement of Plaintiff's [REDACTED] Trademarks (also referred to as "[REDACTED] Intellectual Property" or "[REDACTED] IP"). Plaintiff has been and continues to be irreparably damaged through consumer confusion, dilution, loss of control over the creative content, and tarnishment of its valuable trademarks as a result of Defendants' actions and is thus seeking injunctive and monetary relief.

11. [REDACTED] is in the business of developing, manufacturing, marketing, and licensing all

[REDACTED] Products. The following are examples of genuine [REDACTED] Products:

12. [REDACTED] is also the licensor of all [REDACTED] Products available in stores and on various e-commerce platforms, for example:

13. [REDACTED] has used the [REDACTED] Trademarks and other trademarks for many years and has continuously sold products under the [REDACTED] and other trademarks. As a result of this long-standing use, strong common law trademark rights have amassed in the [REDACTED] Trademarks. [REDACTED] use of the [REDACTED] Trademarks has also built substantial goodwill in and to the [REDACTED] Trademarks. The [REDACTED] Trademarks are famous marks and valuable assets of [REDACTED]. Products typically include at least one of the registered [REDACTED] Trademarks.

14. The [REDACTED] Trademarks have been used exclusively by [REDACTED] and have never been abandoned. The Trademark Registrations are valid, subsisting, and in full force and effect. The registrations of the [REDACTED] Trademarks constitute *prima facie* evidence of their validity and of [REDACTED] exclusive right to use the [REDACTED] Trademarks pursuant to 15 U.S.C. § 1057(b).

15. [REDACTED] has invested substantial time, money, and effort in building up and developing consumer recognition, awareness, and goodwill in the [REDACTED] Products. The [REDACTED] Trademarks have been continuously used, and are, and have been, the subject of continuous marketing and promotion by Plaintiff in the industry and to consumers.

16. The success of the [REDACTED] Products is due in large part to the marketing, promotional, and distribution efforts of [REDACTED]. These efforts include advertising and promotion through online retailer websites, and are conducted through internet-based advertising, print, and other efforts both in the United States and internationally.

17. The success of the [REDACTED] Products and brand is also due to the use of high-quality materials and processes in making the [REDACTED] Products.

18. Additionally, [REDACTED] owes a substantial amount of the success of the [REDACTED] Products to its licensees, consumers, and interest that its consumers have generated.

19. As a result of the efforts of [REDACTED] the quality of its [REDACTED] Products, the promotional efforts for its products and designs, press and media coverage, and widespread marketing, members of the public have become familiar with the [REDACTED] Products and [REDACTED] Trademarks, and associate them exclusively with [REDACTED]

20. [REDACTED] has made efforts to protect its interests in and to the [REDACTED] Trademarks. [REDACTED] and its licensees are the only businesses and/or individuals authorized to manufacture, import, export, advertise, offer for sale, or sell any goods utilizing or featuring the [REDACTED] Trademarks, without the express written permission of [REDACTED] Plaintiff has not licensed or authorized Defendants to use the [REDACTED] Trademarks.

#### **THE DEFENDANTS**

21. Defendants are individuals and business entities who, upon information and belief, reside in the People's Republic of China or other foreign jurisdictions. Defendants conduct business throughout the United States, including Illinois, and within this Judicial District, through the operation of fully interactive commercial websites and online marketplace accounts operating under the Seller Aliases and Defendant Internet Stores identified on Schedule A. Each Defendant targets the United States, including Illinois, and has offered to sell and, on information and belief, has sold and continues to sell Counterfeit [REDACTED] Products to consumers within the United States, Illinois, and this Judicial District.

#### **THE DEFENDANTS' UNLAWFUL CONDUCT**

22. The success and widespread popularity and recognition of the [REDACTED] brand and [REDACTED] Products has resulted in significant counterfeiting and intentional copying. Plaintiff has identified numerous Seller Aliases linked to fully interactive websites and marketplace listings on platforms which include, but are not limited to those operated on the following marketplaces: eBay,

Inc. (“eBay”), ContextLogic, Inc. (“Wish”), Amazon, Inc. (“Amazon”), Etsy, Inc. (“Etsy”), DHGate.com (“DHGate”), and AliExpress, Inc. (“AliExpress”), among others (collectively referred to herein as “Online Marketplaces”), including the Defendant Internet Stores, which are offering for sale, selling, and importing Counterfeit [REDACTED] Products to consumers in this Judicial District and throughout the United States. Internet websites like the Defendant Internet Stores are estimated to receive tens of millions of visits per year and to generate over \$350 billion in annual online sales.<sup>1</sup> According to an intellectual property rights seizures statistics report issued by Homeland Security and the U.S. Customs and Border Protection, the manufacturer’s suggested retail price (MSRP) of goods seized by the U.S. government in the fiscal year 2020 was over \$1.3 billion.<sup>2</sup> Internet websites and e-commerce stores like the Defendant Internet Stores are also estimated to contribute to tens of thousands of lost jobs for legitimate businesses and broader economic damages such as lost tax revenue every year. *Id.*

23. As recently addressed in the *New York Times* and by the U.S. Dept. of Homeland Security, and as reflected in the increase of federal lawsuits filed against sellers offering for sale and selling infringing and/or counterfeit products on the above mentioned digital marketplaces, an astronomical number of counterfeit and infringing products are offered for sale and sold on these digital marketplaces at a rampant rate.<sup>3</sup>

24. Upon information and belief, Defendants facilitate sales by designing their Internet stores to appear to unknowing consumers to be authorized online retailers, outlet stores, or wholesalers selling genuine [REDACTED] Products through the use of [REDACTED] Intellectual Property. The Defendant

Internet Stores look sophisticated and perpetuate an illusion of legitimacy – they accept payment in U.S. dollars via credit cards, Western Union, and PayPal; they often include images and design elements that make it difficult for consumers to distinguish these unauthorized sites from an authorized website; they offer “live 24/7” customer service; and, they use indicia of authenticity and security that consumers have come to associate with authorized retailers, including the McAfee® Security, VeriSign®, Visa®, MasterCard®, and PayPal® logos.

25. Upon information and belief, Defendants also deceive unknowing consumers by using the [REDACTED] Trademarks without authorization within the content, text, and/or metatags of their websites, in order to attract and manipulate search engines into identifying the Defendants Internet Stores as legitimate websites for authentic [REDACTED] Products. Defendants also employ other unauthorized search engine optimization (“SEO”) tactics and social media spamming so that the Defendant Internet Stores show up at or near the top of relevant search results, including tactics to propel new domain names to the top of search results after others are shut down. These tactics are meant to, and are successful in, misdirecting consumers who are searching for genuine [REDACTED] Products.

26. Upon information and belief, Defendants operate in a collective and organized manner, often monitor trademark infringement litigation alert websites, are in continuous and active concert with one another, are in frequent communication with each other – utilizing online chat platforms and groups, and use these collective efforts in an attempt to avoid liability and intellectual property enforcement efforts.<sup>4</sup> Furthermore, there is a substantial evidentiary overlap in Defendants’ behavior, conduct, and individual acts of infringement, thus constituting a collective enterprise.

---

<sup>4</sup> For this reason, Plaintiff is concurrently filing a Motion For Leave to File Certain Documents Under Seal and Temporarily Proceed Under A Pseudonym.

27. Defendants go to great lengths to conceal their identities and often use multiple fictitious names and addresses to register and operate their massive network of Defendant Internet Stores. For example, many of Defendants' names and physical addresses used to register the Defendant Internet Stores are incomplete, contain randomly typed letters, or fail to include cities and other relevant information. Other Defendants use privacy services that conceal the owners' identity and contact information. Upon information and belief, Defendants regularly create new websites and online marketplace accounts on various platforms using the Seller Aliases listed in Schedule A attached hereto, as well as other unknown fictitious names and addresses. Such Defendant Internet Store registration patterns are one of many common tactics used by Defendants to conceal their identities, the full scope and interworking of their massive infringing operation, and to avoid being shut down.

28. Even though Defendants operate under multiple fictitious names, there are numerous similarities among the Defendant Internet Stores, including, but by no means limited to: (1) virtually identical layouts, even though different aliases were used to register the respective online marketplace accounts; (2) similarities of the Counterfeit [REDACTED] Products, and indicia of being related to one another, suggesting that the illegal products were manufactured by and come from a common source and that, upon information and belief, Defendants are interrelated; and, (3) other notable common features such as use of the same naming conventions, domain name registration patterns, unique shopping cart platforms, accepted payment methods, check-out methods, metadata, illegitimate SEO tactics, HTML user-defined variables, domain redirection, lack of contact information, identically or similarly priced items and volume sales discounts, similar hosting services, similar name servers, and the use of the same text and images.

29. Further, illegal operators, like Defendants, typically operate multiple payment processor and merchant accounts, including but not limited to, one or more financial accounts operated through platforms such as eBay, Inc. ("eBay"), PayPal, Inc. ("PayPal"), Payoneer, Inc. ("Payoneer"), Stripe,

Inc. (“Stripe”), ContextLogic, Inc. (“Wish”), Amazon Payments, Inc. (“Amazon”), Etsy, Inc. (“Etsy”), and Alipay US, Inc. (“Alipay”) (collectively referred to herein as “Payment Processors”), and hide behind layers of payment gateways so they can continue operation in spite of any enforcement efforts. Additionally, and upon information and belief, and as financial transaction logs in previous similar cases have shown, Defendants often maintain off-shore bank accounts and regularly move funds from their Payment Processor accounts to said off-shore bank accounts, outside the jurisdiction of this Court.

30. Defendants, without any authorization or license, have knowingly and willfully infringed the [REDACTED] Trademarks in connection with the manufacturing, advertisement, distribution, offering for sale, and sale of illegal, infringing, and counterfeit products into the United States and Illinois. Each Defendant Internet Store offers to ship to the United States, including Illinois, and, on information and belief, each Defendant has offered to sell, or has already sold, infringing products therein.

31. In committing these acts, Defendants have, among other things, willfully and in bad faith committed the following, all of which have and will continue to cause irreparable harm to the [REDACTED] brand: infringed upon and used counterfeit versions of the [REDACTED] Trademarks; created, manufactured, sold, and/or offered to sell counterfeit products and/or products which infringe upon the [REDACTED] Intellectual Property; used the [REDACTED] Intellectual Property in an unauthorized manner in order to sell, advertise, describe, mislead, deceive, and trade upon the [REDACTED] Trademarks; engaged in unfair competition; and unfairly and unjustly profited from such activities at the expenses of [REDACTED]

32. Plaintiff does not yet know the full extent and identity of the channels through which Defendants source and sell the Counterfeit Products. Defendants directed, supervised, and/or controlled activity infringing on Plaintiff’s Trademarks and the sale of Counterfeit Products.

Defendants have a direct financial interest in, and gain a direct financial benefit from infringing activity and realize profits from the sale of Counterfeit Products.

33. By engaging in the illegal conduct outlined herein, in addition to directly organizing and effectuating such infringing activities, each Defendant also induced, caused, and materially contributed to infringing conduct by others, including the other Defendants. There is a causal relationship between the infringing activity and the financial benefit reaped by Defendants.

34. Unless enjoined, Defendants will continue to cause irreparable harm to [REDACTED]

**COUNT I**  
**TRADEMARK INFRINGEMENT AND COUNTERFEITING (15 U.S.C. § 1114)**

35. Plaintiff repleads and incorporates by reference each and every allegation set forth in the preceding paragraphs as if fully set forth herein.

36. This is a trademark infringement action against Defendants, based on their unauthorized use in commerce of counterfeit imitations of the federally registered [REDACTED] Trademarks in connection with the sale, offering for sale, distribution, and/or advertising of infringing and counterfeit goods.

37. Without the authorization or consent of [REDACTED] and with knowledge of [REDACTED] well-known ownership rights in its [REDACTED] Trademarks, and with knowledge that Defendants' Counterfeit Products bear counterfeit marks, Defendants intentionally reproduced, copied, and/or colorably imitated the [REDACTED] Trademarks and/or used spurious designations that are identical with, or substantially indistinguishable from, the [REDACTED] Trademarks on or in connection with the manufacturing, import, export, advertising, marketing, promotion, distribution, display, offering for sale, and/or sale of Counterfeit Products.

38. Defendants have manufactured, imported, exported, advertised, marketed, promoted, distributed, displayed, offered for sale, and/or sold their Counterfeit Products to the purchasing public

in direct competition with [REDACTED] and the [REDACTED] Products, in or affecting interstate commerce, and/or have acted with reckless disregard of Plaintiff's rights in and to the [REDACTED] Trademarks through their participation in such activities.

39. Defendants have applied their reproductions, counterfeits, copies, and colorable imitations of the [REDACTED] Trademarks to packaging, point-of-purchase materials, promotions, and/or advertisements intended to be used in commerce upon, or in connection with, the manufacturing, importing, exporting, advertising, marketing, promoting, distributing, displaying, offering for sale, and/or selling of Defendants' Counterfeit Products, which is likely to cause confusion, mistake, and deception among the general purchasing public as to the origin of the Counterfeit Products, and is likely to deceive consumers, the public, and the trade into believing that the Counterfeit Products sold by Defendants originate from, are associated with, or are otherwise authorized by [REDACTED] [REDACTED] through which Defendants make substantial profits and gains to which they are not entitled in law or equity.

40. Defendants' unauthorized use of the [REDACTED] Trademarks on or in connection with the Counterfeit Products was done with notice and full knowledge that such use was not authorized or licensed by [REDACTED] [REDACTED], and with deliberate intent to unfairly benefit from the incalculable goodwill inherent in the [REDACTED] Trademarks.

41. Defendants intentionally induce others to infringe upon Plaintiff's trademarks and/or continues to supply services with the knowledge that the recipient is using such services to engage in such trademark infringement. Defendants have the right and ability to supervise the infringing activity and have an obvious and direct financial interest in the counterfeit activity.

42. Defendants' actions constitute willful counterfeiting of the [REDACTED] Trademarks in violation of 15 U.S.C. §§ 1114(1)(a)-(b), 1116(d), and 1117(b)-(c).

43. Defendants' continued intentional use of the [REDACTED] Trademarks without the consent or authorization of [REDACTED] [REDACTED] constitutes intentional infringement of [REDACTED] federally registered [REDACTED] Trademarks in violation of §32 of the Lanham Act, 15 U.S.C. § 1114.

44. As a direct and proximate result of Defendants' illegal actions alleged herein, Defendants have caused substantial monetary loss, irreparable injury, and damage to [REDACTED] its business, its reputation, and its valuable rights in and to the [REDACTED] Trademarks and the goodwill associated therewith, in an amount as yet unknown. [REDACTED] has no adequate remedy at law for this injury, and unless immediately enjoined, Defendants will continue to cause such substantial and irreparable injury, loss, and damage to [REDACTED] and its valuable [REDACTED] Trademarks.

45. Based on Defendants' actions as alleged herein, [REDACTED] is entitled to injunctive relief, damages for the irreparable harm that [REDACTED] has sustained, and will sustain, as a result of Defendants' unlawful and infringing actions, as well as all gains, profits, and advantages obtained by Defendants as a result thereof, enhanced discretionary damages, treble damages, and/or statutory damages of up to \$2,000,000 per-counterfeit mark per-type of goods sold, offered for sale, or distributed, and reasonable attorneys' fees and costs.

**COUNT II**  
**FALSE DESIGNATION OF ORIGIN, PASSING OFF, & UNFAIR COMPETITION**  
**(15 U.S.C. § 1125(a)/LANHAM ACT § 43(a))**

46. Plaintiff repleads and incorporates by reference each and every allegation set forth in the preceding paragraphs as if fully set forth herein.

47. Plaintiff, as the owner of all right, title, and interest in and to the [REDACTED] Trademarks has standing to maintain an action for false designation of origin and unfair competition under the Federal Trademark Statute, Lanham Act § 43(a) (15 U.S.C. § 1125).

48. Plaintiff's Trademarks are inherently distinctive and are registered with the United States Patent and Trademark Office on the Principal Register; the [REDACTED] Trademarks have been

continuously used and have never been abandoned; the registrations for the [REDACTED] Trademarks are valid, subsisting, and in full force and effect; and many are incontestable pursuant to 15 U.S.C. § 1065.

49. Defendants' promotion, marketing, offering for sale, and sale of infringing [REDACTED] Products has created and continues to create a likelihood of confusion, mistake, and deception among the public as to the affiliation, connection, or association with Plaintiff or as to the origin, sponsorship, or approval of Defendants' infringing products by Plaintiff.

50. By using the [REDACTED] Trademarks in connection with the sale of unauthorized products, Defendants create a false designation of origin and a misleading representation of fact as to the origin and sponsorship of the unauthorized products.

51. Defendants' false designation of origin and misrepresentation of fact as to the origin and/or sponsorship of the unauthorized products to the general public is a willful violation of Section 43 of the Lanham Act, 15 U.S.C. § 1125.

52. Upon information and belief, Defendants' aforementioned wrongful actions have been knowing, deliberate, willful, and intended to cause confusion, to cause mistake, and to deceive the purchasing public, with the intent to trade on the goodwill and reputation of [REDACTED] its [REDACTED] Products, and [REDACTED] Trademarks.

53. As a direct and proximate result of Defendants' aforementioned actions, Defendants have caused irreparable injury to [REDACTED] by depriving Plaintiff of sales of its [REDACTED] Products and by depriving [REDACTED] of the value of its [REDACTED] Trademarks as commercial assets in an amount as yet unknown.

54. Plaintiff has no adequate remedy at law and, if Defendants' actions are not enjoined, Plaintiff will continue to suffer irreparable harm to its reputation and the goodwill of its brand.

**COUNT III**  
**VIOLATION OF ILLINOIS UNIFORM DECEPTIVE TRADE PRACTICES ACT**  
**(815 ILCS § 510, *et seq.*)**

55. Plaintiff repleads and incorporates by reference each and every allegation set forth in the preceding paragraphs as if fully set forth herein.

56. Defendants have engaged in acts violating Illinois law, including, but not limited to, passing off their unauthorized products as those of Plaintiff, causing a likelihood of confusion and/or misunderstanding as to the source of Defendants' goods, thus causing a likelihood of confusion and/or misunderstanding as to an affiliation, connection, or association with genuine [REDACTED] Products, through Defendants' representation that Defendants' Counterfeit Products have Plaintiff's approval, when they do not.

57. The foregoing Defendants' acts constitute a willful violation of the Illinois Uniform Deceptive Trade Practices Act, 815 ILCS § 510, *et seq.*

58. The conduct of each Defendant is causing and, unless enjoined and restrained by this Court, will continue to cause Plaintiff great and irreparable injury that cannot fully be compensated or measured monetarily. Plaintiff has no adequate remedy at law, and Defendants' conduct has caused Plaintiff to suffer damage to its reputation and goodwill. Unless enjoined by the Court, Plaintiff will suffer future irreparable harm as a direct result of Defendants' unlawful activities.

59. Further, as a direct result of the Defendants' acts of trademark infringement, Defendants have obtained profits they would not have otherwise realized but for their infringement of Plaintiff's Trademarks.
